

If you already have an account with The Vancouver Chopin Society because we created it for you, all you'll need to do is set a password using the 'Reset Your Password' function. Follow the instructions below to access your account.

Step 1

The screenshot shows a web form for password recovery. At the top, there is a logo for 'The Vancouver CHOPIN SOCIETY' featuring a heart icon. Below the logo, the title 'Password Recovery' is displayed in a large, bold font. Underneath the title, a subtitle reads 'Tell us your email so we can send you a reset link'. A text input field is provided with the placeholder text 'Email Address' and a vertical cursor. Below the input field is a prominent blue button labeled 'Recover Password'.

To reset your password, visit <https://my.chopinsociety.org/authentication/password-recovery> and enter your email address then select the "Recover Password" button.

We received your password reset request.

Please check your email for a verification message from aws@upstagecrm.io where you'll find a link to reset your password then sign in.

[Return Home](#)

You will be automatically redirected to a confirmation page with information about an email with a link to reset your password then sign in.

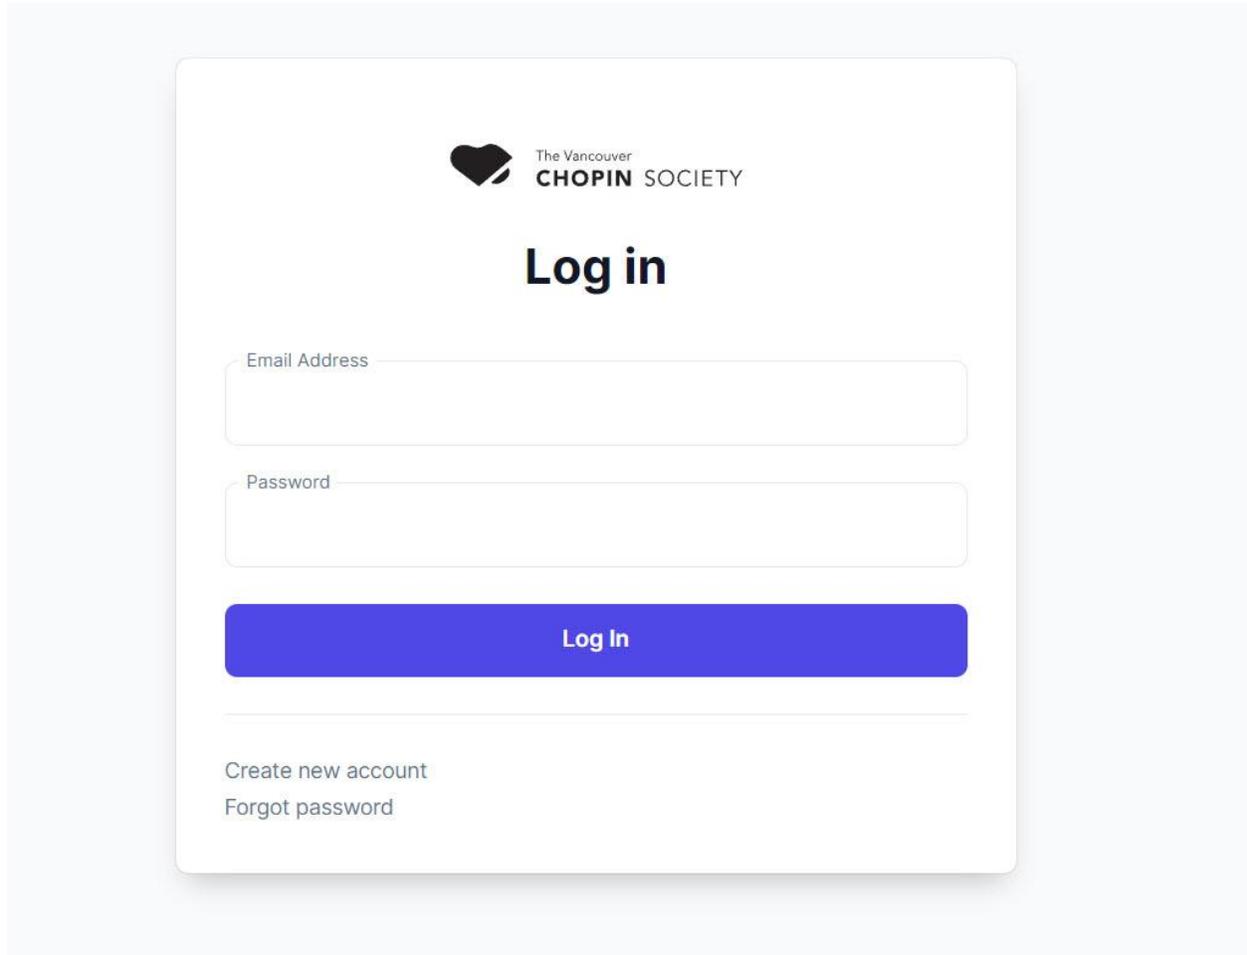

Step 2

The image shows two parts of a password reset process. On the left is an email titled "Your Password Reset Link for Chopin Society" from "aws@upstagecrm.io". The email body says "This is a message from Chopin Society" and "You recently requested to reset your password at Chopin Society. Use the button below to set your password and log in. This link is valid for the next 24 hours." A blue button labeled "Set Your Password and Log In" is highlighted with a yellow callout '1'. Below the button, it says "If you did not request a password reset, please ignore this email. Thank you!". At the bottom, it provides a URL: "https://my.chopinsociety.org/authentication/password-reset?email=...". On the right is a "Password Reset" form for "The Heartbeat CHOPIN SOCIETY". It says "Reset your account password using your code". The form has a "Verification Code" field (2) containing "262531", a "Password" field (3), and a "Password Confirmation" field (3). Below these fields, it lists requirements: "Password must contain at least: 8 characters, 1 number, 1 special character (eg. !, @, #, \$, %), 1 uppercase letter, 1 lowercase letter". A blue "Reset Password" button (4) is at the bottom. A link "Did you not receive the code?" is also present.

1. Once the email arrives, select the “Set Your Password and Log In” button.
2. Your email address and verification code will be prefilled for you.
3. Set your password then enter again in the confirmation field.
Password must contain at least:
8 characters
1 number
1 special character (eg. !, @, #, \$, %)
1 uppercase letter
1 lowercase letter
4. Select the “Reset Password” button

You will be automatically directed to the Log In page.

Step 3

The image shows a login form for The Vancouver Chopin Society. At the top, there is a logo consisting of a black heart shape with a white musical note inside, followed by the text "The Vancouver CHOPIN SOCIETY". Below the logo, the word "Log in" is displayed in a large, bold, black font. Underneath, there are two input fields: "Email Address" and "Password". Below these fields is a prominent blue button with the text "Log In" in white. At the bottom of the form, there are two links: "Create new account" and "Forgot password".
