

In this document we would like to highlight a few things that might facilitate the process when using The Vancouver Chopin Society new online ticketing system. In most cases customers would enter our online system by clicking on the **Buy Tickets** button you can find on every artist page.

However, it is also possible to directly enter our online system at <https://my.chopinsociety.org/> and clicking on the **Events** option on the left side of the screen.

Here is what you can expect during the process:

1. Find your event at chopinsociety.org
2. Filter your seats to find out different prices.
3. Select your seat(s), ticket type and price, and add to cart
4. Continue shopping or checkout, where you would submit payment and enter any promotional code.
